91+ POINTS - Anthony Mueller, ANTHONYMUELLER.COM

92 POINTS - Wilfred Wong, WINE.COM

The 2023 Lost Valley Ranch Wines Wild Harvest Sauvignon Blanc is a classic, no-nonsense example of this grape variety. Enjoy its aromas and flavors of savory spices, peach skin, and fresh herbs with linguine and clams in a light garlicky sauce. Best Served: 2024-2028

90 POINTS - Elaine Chukan Brown, WINE ENTHUSIAST

Aromas of white nectarine and lychee fruit carry into the mouth. Flavors of sweet stone, tropical fruit and a touch of white pepper wash into a long finish on this full-bodied and generous Sauvignon Blanc

ABOUT LOST VALLEY

As members of Save the Family Farms, we are committed to preserving the voice of small, independent growers and producing wines that reflect place and intent. Our vineyard is farmed organically, and we take a minimal-intervention approach in the cellar.
