93 POINTS PUBLISHER'S PICKS - Meridith May, The Tasting Panel
Plunged in apricot and peach nectar, this succulent Sauv Blanc shows itself with body and weight, aged nine months in 35% new French oak. Gardenia and jasmine ring the tropical bell, with a base of vanilla-tangerine cream on the finish.

ABOUT LOST VALLEY

Lost Valley is a small production vineyard rooted in the scenic Wooden Valley of Napa Valley AVA, a lesser-known pocket of Napa defined by loam soils, cooling afternoon breezes, and dramatic diurnal swings. As members of Save the Family Farms, we are committed to preserving the voice of small, independent growers and producing wines that reflect place and intent. Our vineyard is farmed organically, and we take a minimal-intervention approach in the cellar.
